| <p><i>The Day Member is entirely responsible for his/her own safety, whether afloat or ashore. It is for the Day Member to decide whether s/he is fit to sail in the conditions in which s/he finds his/herself. By launching and going to sea, the Day Member confirms that s/he and their boat are fit for the conditions and that they and any crew are competent to sail in them. Nothing done by Filey Sailing Club can reduce the responsibility of the Day Member or make Filey Sailing Club responsible for any loss, damage, death or personal injury, however it may have occurred. The provision of rescue boats does not relieve the Day Member of their responsibilities.</i></p> <p>Adequate personal buoyancy must be worn at all times whilst afloat!</p> | | |
