Birkett Weekend. This is an annual trip for many of us to take part in the Birkett Trophy Races on Lake Ullswater. Most members camp at a site nearby and a great time is always had by all. If you've not been yet, you don't know what you're missing!

Wednesday evenings. As usual there will be informal sailing on Wednesdays during the lighter evenings of the summer. Information about this will be posted on the e-group and website.

Sail to Scarborough. Weather permitting, this will take place on Saturday 10th May. If the Gods are against us we will try again on Saturday 6th September.
